"Hi 'ope, he knocks the bloody niggers' head off, but H'm not so bally sure 'o will,"—Billy Smith.

It was a wonderful race at Louisville Tuesday and Donau ought to have a bran mash for it.

Rest easy, Jeff has returned to form. It was only a blue Monday, with the press agents a little peeved. Infanter Clyde Eagle has been sold by the New York Americans to the Boston Americans.

Mathewson and Ames were batted off the slab in the Chicago-New York game of Tuesday.

Sorrow for the fans. Ruhe Waddell was struck by a pitched ball at Boston Tuesday, and an X-ray has disclosed a fractured elbow joint in his pegging arm, too.

Margaret Bathgate 2:11 1-4, owned by Francis Parker of Bedford, Mass., has a colt at foot by Ajullin, 2:19 3-4.

It was an 11 inning game at San Francisco Tuesday, Oakland taking it 5 and 4.

L. C. Hull, an American Rhodes scholar at Oxford, has been elected president of the university athletic club. And they say the English don't like us.

Western league champions opened up their home season with a victory Tuesday. The Des Moines players made 4 to the 3 of St. Joseph.

A 2-year-old filly that pleases the critics at the Readville track is a handsome little miss by Todd, out of a well bred daughter of Charley Wilkes, 2:21 3-4. That Henry Titter is giving her first lessons.

Barney Briceand, said to be less than five feet in height, will umpire in the Central league this summer. What best for the rowdy fans?

It was a single and two, two base hits in the seventh that gave Boston a 4 and 2 victory over St. Louis Tuesday. Waddell was injured in the third inning.

Claude Rossman, formerly with the Tigers, has at last decided to play first base for Columbus. He has quit the outfield for good, he says.

Gallagher, 2:02 1-2, is now owned by Victor M. Frost of Springfield.

Boston got only three hits off Harmon of St. Louis. It was bases on balls and errors that gave the visitors a victory.

It was a slugging match at Omaha Tuesday in which the home team walloped Topeka 10 to 4, and opened the home season.

Fred Clarke of the Cubs places a piece of tobacco and a stick of gum in his mouth at the beginning of a game. He chews the gum and allows the tobacco to rest in his cheek.

Detroit won at New York Tuesday in an exciting game. The winning runs a ma hama ha ma hama hitmthst were made on doubles by Crawford and Delehanty. Simmons made city single.

It was a record crowd at Lincoln Tuesday. And Denver won the game. Too bad!

DOUGLAS COMING FOR THREE DAY SERIES

Women will Be Admitted Free, on Friday. Free Admission May Also Be Arranged for Boys.

Douglas will be here for the Friday-Saturday game and Sunday games with El Paso. This has been arranged and Ed Mackey will be along to umpire the series. This means good baseball and good umpiring. A big crowd is expected on women's day, a bigger one on Saturday and a record breaking attendance on Sunday.

Friday is to be women's day at the baseball games. Manager Harbuck has arranged to make each of the Friday games free for the women of El Paso and an effort will be made to have a large attendance at these games.

Kids' day is also being advocated for Saturday. The plan is to let every kid in town into the grounds free, providing they stay on the bleachers and do not get into the grand stand.

VOTE FOR MUNICIPAL OWNERSHIP TO BEAUTIFY THE CITY

The first water committee, J. G. McNary, chairman, emphasized the importance of beautifying the city through securing a plentiful supply of water for irrigating purposes, and used this as one argument in favor of municipal ownership.

JOHNSON SEEMS TO BE RIGHT IN WEIGHT

Negro Talks to Newspaper men and Says He Is Sure of Victory.

San Francisco, Cal., May 11.—With his weight down to the 220 station, trainers consider Jack Johnson in the proper nick just right for the beginning of his training for the big battle, July 4. Although the negro calculated his weight at 226 pounds, the scales yesterday showed an over estimate of six pounds.

Johnson took a 12 mile run yesterday along with Sig Hart, Tom Little, George Cotton, Barney Furey and Martin Cutler. He seemed not at all affected by his first jaunt, and all are greatly pleased at his condition.

When Johnson was weighed he took occasion to say something for the newspaper men:

"I guess the two days on the road have taken off some of the weight. All I want is to be right for this fight, any extra weight that Jeffries may have, he is welcome to. He will need that much of a handicap when he gets into the ring."

"I have been with Johnson a great deal," said Sig Hart, "and I never saw him in better shape. He has been taking good long runs and but for the rest of us, he would have stayed out longer. People don't need to worry about Johnson's condition."

Little spent the afternoon in San Francisco discussing with attorneys a suit that Sam Fitzpatrick has brought against Johnson for past services, but Johnson stuck close to his quarters.

"Doc" Cornell, trainer for the Portland baseball team, arrived from the north and announced he would join Jeffries Monday to act as trainer for the California heavy weight.

JEFFRIES IS ALL RIGHT ONCE MORE

Big Fighter Seems to Have Returned to Form, at Training Camp.

Ben Lomond, Cal., May 11.—It appears that Jim Jeffries has returned to form, after his discouraging performance of Monday. Yesterday he mixed it with Armstrong and Chynski until both were glad to quit. Mrs. Jeffries witnessed the bouts and perhaps had something to do with it.

The heavyweight took the scales at 225 pounds, about 25 pounds less than when the training was begun. He ran three miles in short sprints yesterday in order to take off another pound or two. This experiment will be repeated in the road work-outs for the next three weeks, splitting up the distance into 100 yard sprints, instead of the usual 10 mile drill.

What Benjamin SAYS

Baseball players are divided into two classes. Those who play ball from their shoulders down and those who play from their shoulders up. Harbuck has some of both.
